ENTIRE SALE OF THE TRADITIONAL BRED PORTION OF THE CARRY HOUSE FLOCK

RD ARCHER

Carry House, Wark, Hexham.

CARRY HOUSE

The Carry House flock was founded in 1962 and in the mid 1970s a separate crossing flock was established. The two different types have been bred separately ever since.

Over the past few years the traditionally bred section has been reduced to a group of consistent breeding ewes from the best families. These are all for sale except for 6 very late lambing/ empty ewes which will be sold later in the year.

We would like to thank all customers who have bought stock over the years and wish buyers every success with their purchases from this sale.

More pictures and information can be seen on our website www.carryhouse.ndo.co.uk
